

Thank you so much for everything you did to make our Wedding Day so special and memorable. We had countless compliments on your food and presentation. We wanted so much for our friends and family to enjoy a great meal and a fun celebration of our union and that would not have been possible without you!!

Our evening at Gatherings was the highlight of the trip. Beginning with the unique appetizers on the patio to the final spoonful of a caramelized banana split martini, it was a true gourmet experience. The ambiance of this unique house could not have been better. Our group has traveled all over the world and has very high expectations, everyone was totally impressed. I found the initial organizing of the event to be as easy as any I have ever done. Dean and Debbie are very accommodating and have an incredible level of enthusiasm that is infectious.

Wow, best party ever, best food I have ever had. The food was fabulous! The location (Gatherings) was perfect! Our friends and family are still raving about it. Thank you again for the perfect party.
